

# Public History Association of Texas

*The solution for finding out about the practice of history in Texas!*

Everyone who joins PHAT over the course of the next year will be considered a charter member of this organization. We are planning a workshop session in late spring/early summer 2013. We are also hoping to have another session at the East Texas Historical Association's spring meeting in Galveston in February 2013 filled with updates about what's happening in Texas. So come join us and help spread the word about your projects and opportunities. You will learn what other public historians – aka archivists, preservationists, curators, educators, historic commission members, archaeologists, and local historians – are doing. We'll also be sharing information on relevant grants, resources, and publications.

The proposed slate of officers for the 2012-2014 term are as follows.

Perky Beisel, Stephen F. Austin State University (Vice President)  
Lisa Bentley, Stephen F. Austin State University  
Cynthia Brandimarte, Texas Parks and Wildlife Department  
Anders Greenspan, Texas A&M University-Kingsville  
Keith A. Erekson, University of Texas-El Paso  
Bryan McAuley, Texas Historical Commission  
Gene Preuss, University of Houston-Downtown  
Paul J. P. Sandul, Stephen F. Austin State University  
Dan K. Utlej, Texas State University (President)

Our email address is [publichistory.texas@inbox.com](mailto:publichistory.texas@inbox.com).

To become a charter member of PHAT, please complete the form below. There is no membership fee at this time. Each member will receive email updates, workshop notifications, and the online newsletter as it is developed.
